Rock the Against the TPP

Saturday, August 20 Beginning with a teach-in at PSU in the afternoon then a march to the concert at Director's Park from 5:00 to 10pm

815 SW Park Ave

Free! RSVP required. All ages. Wheelchair accessible. Join us for the nationwide uprising and concert tour Rock Against the TPP! It is a massive effort to sound the alarm about the toxic backroom deal that is the Trans-Pacific Partnership. Through a series of large-scale educational concert events, protests, teach-ins, and trainings, we'll reach thousands of people who haven't heard about the TPP yet, and ignite a movement to stop it in its tracks. The tour is a partnership between viral internet freedom nonprofit Fight for the Future and Firebrand Records, the new freedom fighting record label co-founded by Ryan Harvey and Tom Morello. [Learn more and RSVP here.](#) On Sunday, August 21 keep the momentum going and join us for an afternoon event diving deeper into why the TPP threatens our most basic rights!

Jobs with Justice is supporting turnout! If you would like to help make turnout & RSVP calls at a phone bank on [Wednesday, August 17 please sign up here!](#)

Emergency Response Toolkit for Unions and Community Organizations to support Just and Humane Resolution for Residents of the Springwater Corridor

We at Portland Jobs with Justice with the support of many of our coalition members humbly offer [this simple toolkit](#) for unions and locals, and other community and student organizations who want to support the resident- and community-led efforts of houseless people camping along the Springwater Corridor to live with justice, dignity, and safety. We hope this can be easily adapted to serve the needs of other organizations such as faith organizations if someone wishes to take on those tasks.
