Scrooge Party 2015

***Friday, December 4 at 7pm at Peace House
2116 NE 18th Ave***

Scrooge of the Year is an annual award the community (you!) vote on to award to the year's worst Portland-area player. It can be a corporation, a politician, or someone completely different.

We here at Portland Jobs with Justice think it's important that the voting process for this award is true to our American democratic system. That's right - this election is for sale! You may purchase as many votes as you wish to decide the worst boss in town. This year we have bad bosses from Instafab, Wim Wiewel the PSU President that has armed campus security and many more! Buy tickets and get more [info here](#).
