Rally for a Fair Contract for VOA Workers!

During the most recent bargaining session, VOA management's 'final offer' included a contract with:

- *no wage increase*
- *no guarantee of future cost-of-living raises*
- *no regular wage scale*
- *no union security*

Monday May 14 from 11-12pm at Volunteers of America (3910 SE Stark)

Please join JwJ, workers, and other community members to rally on the upcoming bargaining session to let VOA workers know that the community is with them and that these conditions are absolutely unacceptable! VOA workers work hard to make their communities strong, resilient, and healthy. It's time they had a contract that affords them the same. It's time for the community to come out, show up, and help these workers bring in the victory!

Pitch a Tent 2018

The city of Portland regularly sweeps houseless camps taking away people's tents, clothing and other belongings, pushing people around from place to place and disrupting communities that are trying to survive and keep each other safe. Meanwhile, each year the city let's people camp on the streets of downtown Portland for the Rose Festival Grand Floral Parade.

Pitch a tent is annual event that calls attention to the hypocrisy and brutality of criminalization of survival camping in the face of promoting recreational camping within the city.

The Grand Floral Parade takes place on June 9. Pitch a tent will be a multi-day and night event around that time. Come out and support Portland's houseless communities. Stay tuned for more details as they comes in!
